*Dear Holy Spirit Family,*

What a wonderful Holy Week and Easter celebration we had together! I've heard many of you say Sunday felt like a family reunion and I absolutely feel the same. It was great to see so many of us together.

I want to thank everyone for being a part of Holy Week. Special thanks to Father Bill and Father Stan for their beautiful sermons, thank you to the Reverend Deacon Katy Smith & Verger M.E. Spencer for assisting in our services, thank you to our Holy Spirit choir, Parish Life, children's choir, those who coordinated and donated for the Easter egg hunt, Men's Breakfast and mow team, altar guild, and all of you for creating this wonderful space for us to celebrate together.

I went to a meeting with Bishop Kee Sloan a couple of weeks ago and he reminded us that even as we are going through transitions or discussing details of how to keep a church running- if we get a bulletin out we are doing well and that may be all we need at that time. Of course he said it much more eloquently, but there is so much truth to that and I wanted to share. I think even during this transition we weren't expecting we have shown we are a strong family and I have no doubt we will stay a strong family with God's help.

Mandy Golightly,  
Senior Warden

## *Adult Forum:* Exploring the Resurrection with Matthew, Mark, and Luke

May 7th, 14th, and 21st at 9:30 am

Join us for four Sundays in Easter as we explore the theologies of the Resurrection as articulated in the Synoptic Gospels. The class is based on *The Resurrection According to Matthew, Mark, and Luke* by Norman Perrin, New Testament scholar and author. In this brief book, Perrin suggests that these “resurrection narratives must be understood in both their similarities and their differences.” With that in mind, he “relates each Synoptic account of the resurrection of Jesus to the theology of its Evangelist” resulting in “a new understanding of the importance of the Easter celebration.” In addition to discussing these narratives from a scholarly perspective, Perrin reflects on what each Gospel’s recounting of the resurrection means to him personally.
